VERTIKAL wines are the perfect expression of the picturesque slate slopes of Germany's famed Mosel region. Much of the growing area is located on the river banks which rise so sharply that the vineyards along these steep vertical slopes are amongst the steepest in the world. VERTIKAL wines are sourced from only the finest vineyards throughout the Mosel, Nahe, Pfalz and Rheinhessen regions in Germany. The wines are a true expression of the land and people who share a passion and commitment for producing Germany's finest varietals including Riesling, Pinot Grigio, Pinot Noir, Gewurztraminer and Liebfraumilch.
